

FEATURE WINES

maison LAPALUS

Maison Lapalus wines are produced in Central Victoria by Gilles Lapalus. Gilles is a French winemaker, originally from Burgundy, who also co-founded the Maidenii vermouth brand. Like many others, he was impacted heavily by the fires in Harcourt over the summer, losing almost everything he had in barrel and bottle. However, in an amazing example of community and compassion, many of Gilles' friends donated barrels of their own wine to him, from which he has made a selection of multi-vintage, multi-variety blends. Rather than reflecting specific terroir or season, these wines simply showcase the best of the human spirit.
